RESPONSE TO NOTICE OF NON-RESPONSIVE AMENDMENT

Mail Stop RCE
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Please enter the following amendment and consider the following remarks. The present amendment and remarks assumes that the claim set previously submitted with the preliminary amendment accompanying the request for an RCE has not been entered. Specifically, claims 1-21 were previously cancelled during prosecution and were improperly reinstated with the preliminary amendment. Thus, assuming non-entry, claims 1-21 are therefore still cancelled. New claims 26-46 correspond to original claims 1-21. It is believed that this format is correct and the Examiner is requested to consider the merits of the claims and remarks presented herein.
